This one's for Mary, we chose it between us.  
I did my best regards the photography Will. I've put a darker version on my web site. I'm not sure which is best. Tell me please.  
This version is nearer the original colours.

oh this is a beauty, Wend. You outdo yourself on every one.

I think I would have to go with the darker one (on your website) only that I can see it better (or maybe its my pc) lucky girl Mary...nice one web site is lookin' good, Wend 😊

This is a really nice one Wend, I checked on the site and I too prefer the darker version. I think Mary will love this one!

Mary is a lucky girl to get this one, Wendy. It's gorgeous! I'm with Paula--I prefer the darker version esp because I can see it so much better. I'm with Paula also in that you keep outdoing yourself--and that is some competition! You go, girl.

I think it's lovely, Wendy, and I really like the subtlety of the colouration and tones. LIk the others, I think the version on your website is easier to see because the contrast is greater, but I prefer the colours on this version. In terms of photographing the image, I think you succeeded and I noted that the tonation was much more even across the image. Very nice work :)
