This is Mauri's (Misty) choice - one of my favourites too, and we thought it would be a nice picture to commemorate Dusty's birthday.

May I ask Wendy, what you use to draw those with? Any special artists secrets with crayons and the like?

Just the normal coloured pencils that all the kids use Alice, nothing special.

Lovely drawing Wendy. Yes Carole (Trek) Wendy has spent many hours getting the eye colour just right. I bet she has more green shades than any others in her pencils!

Another masterpiece! The eyes have it!
