Yeah, strong language warning for those who visit the site. I like art with teeth and this has fangs!

I agree about the fangs! Is that a snake in the beehive? I don't do snakes 😬

Oh, i actually don't like that painting for some reason. It just doesn't appeal to me at all 😞

A drawing my daughter Lucy did for me 7 years ago. It hangs on my wall next to the silver disc.

Wow, that's quite accomplished, don't you think? Now, was this done by Chalk or Cheese?

If cheese came after chalk, then it's cheese 😊 Lucy has done some fabulous drawings and she has an artist's temperament! Sorry Tim 😊😬

That was excellent, is she a professional artist? But Ive just noticed Tim's bit on somewhere and he is a brilliant artist (even if he is a bit hard on freedom of speech 😊)it's quite put me off of doing my sketches - I will have to give him my ideas and he can do two specials for Ro and Teda - free of charge of course.
