I have one more question Wendy!  
How on earth to you do the hair??? It looks like you sorta shade it and then add the details marks in to me. You always get the hair and the eyes just right!

Hi Alice - I've just sent a blow by blow account to Cas, as I went through the picture, along with photographs, as to how I constructed it at various stages of the drawing. I've deleted all my e-mails, and I have asked Cas if she still has them. If she has I'll send them to you, if she hasn't I'll send you details of the next drawing as I'm doing it. I plan on doing the orange one again anyway.

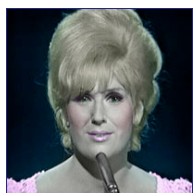

I actually do it the opposite way around to what you said, put the detailed marks in then shade around it.

Wend

Just wonderful Wendy! Love them both, but love the first of the two the best. 😊

Really, really like the All I See Is You cover Wendy, one of my favourite Dusty pictures. I wish I had half your talent (no make that a quarter!)

Thank you all.

Strange, but I thought everyone would prefer the orange one, but not the case is it, quite the opposite.

I think I've almost come to the end of all the iconic ones now.

Wow Wendy. I'm with Carole, a fraction of your talent would be a real gift!

I especially like the AISIY drawing too.

Keep up the wonderful work.

Signed,

Very well tried Mary, its not easy to capture Dustys image is it? I haven't the patience these days, tho' I do keep meaning to have another go.
