I think this one was more of a challenge for you Wend. Love the scarf and the waistcoat.

Another fantastic piece of art, Wendy... especially like the way you have drawn the headscarf; the texture is wonderful. Beautiful picture, thank you for uploading it.

Aww Wendy, that's great, and I loved getting the image in my birthday card! You're the best, but no to what?

Some watercolors Mary did of Dusty are posted on my birthday thread...quite nice, I think!

Wow they are absolutely fab Bosseh, didn't you do well. Wonderful, just wonderful.

I was saying no cause I couldn't get this to come out right, it needs to be a bit darker.

Wendy, you've managed to capture the wistful expression of 'the blue image' perfectly. Very nice indeed.

Wend I feel you have really captured that far away look in Dustys eyes, and the hair is just spot on, its a lovely picture, well done.

Thanks Will and Cas, I've been trying to get a better photo of it, but I don't think I can.
