thank you so much everyone - you cant imagine how chuffed I was to see it - for you non english english people that means pleased and some. I showed my family and told my non lateral thinking best friend. She would be scared to death if she saw my meanderings on this forum- she has told me so in so many words so I thought it would be safe for her to google www.dustyspringfield.info but what did she get to -forums! luckily she is so non lateral that I managed to persuade her to try again but no success so she is coming round tomorrow to check from mine-lucky me 🙄 Well I am looking after her snow bound kids two days running -any excuse. Maybe there is some reason you are not getting the amount of hits I was expecting.

She would be absolutely over the moon, Her name is Laurelle, she doesnt really belong to me☹️. Someone once said it sounds Australian or Jamaican but it comes from Father Goose (french).

Throw caution to the wind☹️
