The 2nd one (that I don't have info on either) was taken the same time as one I posted on page two, but that doesn't help! I remember that we nearly missed Dusty arriving at the Palace as we were waiting at the wrong door. But for that big guy getting to her in front of us, she would probably have been inside before we realised. And I've always thought that he was the same guy she was rushing away from (for whatever reason) in the Blackpool pic.

Unfortunately the only picture I have taken of Dusty is my Grande Finale Avatar.

love your photo too Marty and actually it is the only one I've seen of her on stage at the Grand Finale.

No information, but this was how I first remember seeing Dusty on Stage. THIS WAS TAKEN BY ME AT THE RITZ KINGS HEATH IN BIRMINGHAM

The last reply belongs to the pic of Dusty on stage. I was right up the front, there were no seats.....standing only.If only I had taken more. Several of the photos included in this link are my photos and I think Carol bought copies of them from the fan Club when Pat ran it. I have posted a pic of Dusty and myself dancing to GREAT BALLS OF FIRE backstage at the Cavendish club in Birmingham.See my activar

Perhaps some of you newer members haven't read Carole's account of some of these photos.... from the LTD website:

Mike is right in that a lot of personal photo's were sold through the fan club, and in the main, we bought them all! I found out that the two photo's Cas and I posted on Dusty in the stripe coat that we had no info for, were in fact taken outside the Talk of the Town.

This is one of my favourites that I took at the Casterways. I only had a b/w camera in those days 🌐
