I'd heard from Nancy that someone from a marketing company (I think) had been making enquiries about Dusty music for a new ad, maybe this is it. Can you remember which TV channel it was on Graham?

Carole, you might ask Paul if this is what he had heard about, as well.

I hope someone will put it up on youtube!

Sorry for delay in replying.....the ad was on again last night just before the second part of Corrie.

May regional differences.

Can you tell us anything more about the ad, Graham, since no one else has seen it?

A friend of mine from Scotland told me it's on TV all the time and it's great.

Once again those of us in the States get the short end of the stick!

The ad is for cruise liners and basically shows various paasengers enjoying themselves on board a large cruise ship with Dusty singing IOWTBWY. You get to hear the intro and quite abit of the song. It sounds strangely refreshed and upbeat and ideal for the subject matter

I think it must be a regional thing as I didn't see it around Coronation St when you said it was on Graham. I had the shows on tape and it wasn't there.

I wonder if anyone has downloaded this add on U-tube. I tried to find it with no luck.

I've actually seen it at last 🙄 I'd recorded the end of a prog on Hallmark and when I played it back, there was the ad. A perfect feel good song for a feel good advert.

Actually saw the ad on ITV3 at lunch time while watching an episode of 'Poirot' for the umpteenth time. 🙄🙄
