### French and Saunders Show (#p160290)

by **darren2722** » Mon Sep 22, 2014 3:23 pm

Posted this on another thread but just in case anyone didn't see it there, Dusty has a small appearance in The French & Saunders show at Midnight Tonight/Tomorrow in the UK on the channel Gold (Sky Channel 110, Virgin Channel 126) and repeated a hour later at 1am Tuesday morning on Gold +1(Sky Channel 133, Virgin Channel 127) Think its from 1995. 🙄

Should be the make-up room sketch which has been deleted from YouTube.

I have just set-up to record - but surprised as programme only runs 30 mins (with ads) thought it was an hour on BBC. Memory?. May be edited down we'll see. Hope Dusty is on.

Just a note, recorded in '95 but broadcast early Jan '96 first of new series of F&S. This was referred to by Dusty in her last interview with Des O'Connor, when she talked about putting her "eyes" on,

for F&S, and how good it felt.
