I have greetings from Norma Tanega to the members of LTD! She says it's good to know that Dusty is still remembered so fondly. Norma would have loved to come to London for Dusty Day, but unfortunately, due to work obligations, this isn't possible.

Maybe some other year... 🙏

What a shame that she can't come to Dusty Day. 😞

Please send her our love and let her know that Neil and I are still recovering from her phone call in September. 😊
