I have prepared a nice space for Nancy in the music room with Dusty-bilia around the music stand and a candle.

I just hope she doesn't set fire to her straw though...

I'm a day or so late... but I did not forget!!

We celebrated with a mud cake! And it was goooood! 🍷

Happy birthday to a lady who not only produced the greatest songs, with a voice so amazing, but brought people together and forged a family dedicated to remembering her 🙏

😊Forgive my tardiness - haven't been able to get online at all the last few days but I so want to add my voice to those of my board buddies expressing admiration for our lady's talent, charisma, personality & just plain grooviness - if anything about Dusty could be called plain!
