OMG That 'Am I The Same Girl' article and Dusty had the red hair that looked like it had been ironed to her head!!!

I thought I saved both the article and a picture but I cant find it - anyone know what Im talking about??

Dusty copped heaps of sh*t for it at the time!

Love,

How about this ?

Despite a truly beautiful face, this 'hair' is not attractive to me at all...

Yeah not too fond of that hair...

But that last one is a classic/iconic Dusty! 😬

I agree with Mads on that iconic one and it's Fraser's very favourite! I'll post ones I don't like as I come across them but I think that if I don't like them, I don't keep them, cos I'm not finding very many!

Don't like this wig (and I'm not talking Liberace 😬)

I never did like the frizz perm, even if I did have one myself!

That was the one she wore for TOTP when she sang "Am I the Same Girl" and it was a very peculiar shade of red! She never wore it again!!
