I want to know to whom Dusty is speaking on the 'phone pic at the top of the page.

Anyone know?...

I doubt it... but maybe we can 'imagine'?...

It'd be quite a coup to find out what she's saying as well!...

😊 Well perhaps she just didn't know what to do with herself & she was asking a random number if they had Prince Albert in a can!

I don't understand this? Why would Dusty ask that?

Could have been anyone she was talking to but my guess is they were saying to her "Dusty it's 4 O'clock in the bloody morning"!

She could of been Carole!.....I was thinking of an old non carry-on film that Joan Sims was in where she worked in a shop and addressed female customers as 'Modom', but as you've mentioned Mrs Slocombe said Modom as well!🤔

I think Carole G. is almost right but it's Dusty that is speaking.

She's saying 'Can you bring us over some eggs, bacon and black pudding...and make it snappy!'

The response is then just as Carole G. says.

She is, of course, calling me to ask if she can borrow my tap shoes for that comedy sketch. I am on the other end of the line insisting that I will consent to her request only if she verifies the pink blouse story in exact accordance with my instructions...😄

Rosie, you cheeky elfin! 🙄 She's actually on the phone to me saying 'Of course you can have the pink blouse, when i've finished with it...but, it'll cost ya!' Then the worried expression because i've just mentioned a certain lady from Cardiff swears blind that it's hers..... 😬
