Happy birthday, Norma Tanega! (#p110999)

by [Corinna](#) » Wed Jan 30, 2013 10:49 am

Norma turns 74 today (as would Dusty in a few weeks)!

Many happies and jollies, and many happy returns of the day! 🎉 🌸 🌟

Here's a recent picture of Norma with friends and family, plus rescue dog Max0. 🎁

Some of our newbies might be interested to know that we sell one of Norma's albums, which was recorded in 1970, while she lived in London with Dusty. It has many references to Dusty, and liner notes have been provided by Annie Randall (author of Dusty - Queen of the Postmods). Check this page for more info:
