Heart and Soul - VA compilation (#p143970)

by **countrycake** » Tue Jan 21, 2014 2:14 pm

UMTV are issuing a 3-CD set under the above title on 27 January. Dusty contributes one track to the set and, no, its not the duet with Cilla. It's Breakfast in Bed from DIM. It's good to see them using a bit more imagination when selecting Dusty tracks for inclusion on VA compilations, instead of constantly recycling the hits.

What I assume is the TV advert for this compilation has turned up on You Tube:

Thank you love that single too, Dusty wore her hair long, with Cilla and was wonderful.
