I've just got back from a wee trip to sunny Henley to see what the flowers were like that the florists have put on Dusty's marker and take a piccie to show everyone what they're like 📷 :

I also added 3 lots of roses... red, pink and orange :

Hey that looks absolutely lovely. 🍀 The florist has done exactly as we asked and the colours are right. Tulips and freesias are among my favourite flowers. I especially love freesias for their wonderful perfume.

Thank you Bev for taking the photos, it is wonderful of you to post the photos so quickly to show us all the results of our efforts.

Corinna has prepared cards with Dusty's photo on for the florist to use from now on.

I'll write to the florist and thank her. 😊

My pleasure 🙄 It's nice for all those who can't get to Henley to be able to see how the money raised is being spent!

It's no trouble at all to visit Henley Chris, it's a lovely area and I visit quite a lot as I'm lucky and don't live that far away.

Bev

PS. If anyone is thinking of visiting anytime soon there are roadworks on Remenham Hill; don't know how long for but thought I'd mention it just in case!!

I've let the florist know that we liked her first arrangement and she says it is a pleasure to do it. I think she likes being involved in placing flowers on Dusty's marker.

Oh, Cor, she received the cards you made and sent her today for placing with the flowers.

I stopped off earlier today to see for myself and added a few more. All the flowers were lovely and so many, it almost looked like Dusty Day.

Last Friday, 25th, the second bouquet in LTD's name has been placed at the marker. Has anyone been there and taken photos?
