Hello Mary,

30 Posts

I just watched the you and Dusty in California in 1967! It's wunnerful, wunnerful!

How lovely Dusty was, just drop dead sexy. Her terrific energy and sense of humor come through even in a few monents of meeting.

And you are adorable, too, ya little cutie! Lucky you! When is this happen? How did you meet?

In 1967 I was....umm...well, just a few months old, I guess...😬

Thanks for putting that up there and sharing with the world. You have a memory for a lifetime. Isn't it great to finally catch up to someone you've admired for a long time and then meet them face to face?

Mary (the other one)

Yes, I am a recovering procrastinator! I have been meaning to look it up forever and I finally did and I'm very glad.
