[Impossible Art: Notes on Dusty Springfield](#)

by [countrycake](#) » Sun Oct 05, 2014 1:33 pm

This is a Kindle book issued by Amazon UK on 29 September for 77p. It is 75 pages long and is described as a 'brief, idiosyncratic interpretation of the life and music of Dusty Springfield, a revered British pop singer and an iconic figure from the 1960s'. The author is Catherine J Bell.

A very interesting read - nothing to complain about- Just Dusty and her music and well observed..
I'd rather see the world the way it used to be.....
..I'm goin' back.

Looking at amazon, it appears she has written a lot about ritual. Does that factor into this book?

Maybe a little, but I read it as one persons view of the ever enigmatic Dusty and her eclectic choice of musics.. After all who really knew/knows Dusty ?
I'd rather see the world the way it used to be.....
..I'm goin' back.

As far as I can see Nancy, I think the Catherine Bell who you are talking about died in 2008. She's the one who wrote about rituals and such. I feel that the author of this Dusty piece is English, rather than American. It was interesting to read, I can't say I agree with all that she says but I do agree with quite a bit. She over generalises a lot and makes some sweeping statements that are obviously her opinions rather than fact. She thinks Memphis could as easily have been recorded at Marble Arch as in Nashville. Not unless they brought all the Memphis musicians to London it couldn't! But there is nothing bothersome in it, she's basically trying to explain and understand Dusty and her voice. Never an easy thing to do.

There's a part of you, that's a part of me...

Thanks, Carole. That's what I get for being hasty. 😞

Sounds like it might be worth a read, though.

Btw, I don't have a Kindle but I downloaded the free App to my PC and and read it that way.

Thanks Jim.

Will read when I get a couple of hours to spare, can't go wrong for a penny-a-page.

Ordered mine today on Kindle. Could not believe it was only one dollar! Haven't started reading it yet. I am still reading Paul Howe's book.
