I've just received the new season brochure for our local theatre and on May 15th, there's a show called 'In Dreams', featuring the songs of Dusty, Roy Orbison, Billy Fury, Connie Francis and Ricky Corvette. A singer named Suzi Jari is playing Dusty - have we heard of her? There's a website: [www.in-dreams.co.uk](http://www.in-dreams.co.uk)

I saw this Show last year, Angela... and thoroughly enjoyed it.  
The Roy Orbison Guy is amazing...  
...and if its the girl we saw... The Girl calling herself Dusty, aint too bad either.

I will have to check this out...there's not to many impersonators out there that can do a good Orbison....

A man named Larry Branson...does a wonderful Roy....I think he is the best by far...would love to see one of his shows.

I've never heard of Ricky Corvette, but that's what it says in the brochure! 🎁 My brother has heard of him though.

I missed this when it was up here last year and looking at the tour dates they're not coming to the North East this year 🙄

Just seen a review in my local paper of 'In Dreams'. It mentions Roy Orbison and Buddy Holly but no Dusty.!!!
