Great to see "Just Dusty" doing so well. It appears each outlet has a different chart based on their own sales.

Sainsbury still at 14 - Morrison 24. I wonder what Tesco and Asda are?

Fantastic. "Just Dusty" 😊 is a great compilation of her songs from IOWTBWY to IP via a couple from DIM. Let's hope that it bears fruit and brings a lot more interest from new fans. 🙏

Go Dusty 🙌

Great that Dusty has been back in the charts 🎵 . Don't forget the DVD of the same name, it is IMO the best Dusty bio made, everything covered in a sympathetic way. It never seems to be shown on TV. It is an amalgam of other bios and the interviews are interesting. 🤖 The bonus clips are good (bar one!) 😊 .

What an absolute bargain! I was lucky to get it for Mother's Day and I'm delighted with it.

I'm going to buy a few ready for friends/family birthdays. Surely everyone should be given the opportunity to listen to some decent music! 😊
