Sorry to ask this.....has there been a fall out?

No DD appearances and little mention here.

Same thing happened with Karen Noble?

Don't know, Graham. There's a place on her website where you can send her an email, though.

To me the little mention has to do with the lack of her Dusty performances of late. She does have some dates scheduled at New Warner Leisure Hotels in the fall; I think that's been mentioned somewhere.

Don't know what's become of "The New Springfields" either.

Katy is on my Facebook and posts regularly. She's usually in some gorgeous part of the world via the cruise ships that she works on. She does her Dusty act onboard as far as I know.

Just back from a "Celebrity" cruise of the Adriatic and Mediterranean and was pleased to see Katy as part of our entertainment (I think it was between Malta and Sicily). She sang IOWTBWY, SOAPM and YDHTSYLM!. She also performed as Cher and Tina Turner putting on a great programme and receiving a standing ovation from the very multi-national audience. It was nice to say "hello" and "thank you" as well as we had seen her in Dublin during the winter just before I was ill.

Interestingly, we had a "double dose" of Dusty on our cruise as later the following week we also had the very talented Claire Maiden (sp?) perform and she mentioned how much Dusty had influenced her and included a couple of her songs also with SOAPM and YDHTSYLM - I was well chuffed being so "Dustified" during my holiday! Claire is also an incredibly talented pianist and performed a couple of Bette Midler songs as well.
