Thought I would give this it's own thread as I just received the tour dates from Katy and Andy. These are subject to some change but correct as of today. Unless you live outside these shores, there's got to be one near you.

How fantastic that she will be playning in so many places!

Will this is her Dusty show or her own music or a combo of both?

Not more bloody glad rags! Best bet for a bit of a gathering would probably be Bolton because it's a Saturday and it's actually not far for Yorkshire, Lancashire and Cheshire. But plenty of time for those thoughts when next weekend is over.

For us Americans...

Don't forget she will be appearing at the Imperial Palace in Las Vegas from the middle of May to the middle of August.

I am thinking of going, but nothing definite yet.

Las Vegas can be a really fun vacation, I recommend it to all.

Called in at the Mechanics whilst in town this morning, asked if I could book for Katy. The guy said he knew nothing about it and she wasn't appearing! So put my know it all head on and insisted she was! Still a cool response from the guy, so I said, 'Dusty springfield'?! He immediately knew 🤔 seems there was a note about it, and he said, 'Yes you are right, but you can't book yet as we have no details, try end of May.' WHAT..... 🤔

LOL Yes I was, Cas. Its SO close to the stage and you get a fab view, plus it also means I'll be able to sneak my camera in and get some cracking shots, hopefully ;)

One of the things Katy said on Sunday was that half of the show will be Dusty, while the second will have her performing as herself. Just hope I get a chance to chat with her before or after the show.

Katy's tour dates as they stand right now. Two girls who were at the party yesterday are going to be backing Katy in the show. One of them sang solo and was very good. In Vegas, Katy will be doing a four song set twice a night. The biggest American hits really, IOWTBWY, YDHTSYLM, W and H and SOAPM.

You know, Carole, I was watching Katy on YouTube yesterday singing All I See Is You.. and I think that is the single most stunning live performance I have seen in all my life. It was absolutely breathtaking. Stunning. She *SO* deserved to win and she *SO* deserves her shot at Vegas.

For those of you who weren't at Dusty Day, I don't think there was a dry eye in the house when Katy sang All I See Is You. We were all fighting back our tears.

I'd love to see Katy in concert, but no venues are that near me. As I don't drive, it's awkward getting back from places at night - though I guess I could stay the night somewhere.

Just changed the title of this thread slightly to add a mail from Katy and this can be the place for any other news Katy related.

Dear Dusty Fans Everywhere,

I'd like to thank you all so much for your continuing support over the last months. Dusty Day was a huge thrill for me for so many reasons, and it really was a great pleasure to meet so many of you at last. Your warmth and encouragement in person and through your emails is nothing short of overwhelming!

I know some of you are hoping to get out to the Imperial Palace Hotel in Las Vegas where I'll be performing for 3 months, starting May 19th, so please make yourselves known out there. Even more of you have seen the UK tour dates on these pages and it's fabulous to know that's proving so popular too!

I will be recording a CD of Dusty songs in time (hopefully!) for the tour this autumn. Andy & I are getting the music and musicians ready to record the tracks asap, most likely in my absence, so I'll have to do all the singing when I return mid-August. Hopefully there'll be just enough time for the album to be finished by the first date - Great Yarmouth, 30th August. Which songs will be included is still not finalised, but it's safe to say all the biggest songs will be there. I'll post more details as they're decided.

Thank you all again. See you on the road somewhere soon.

Well, you will get to see her in the UK at least!
And we will raise our glasses to LTD-- IF we get there.

I have to say Katy as Dusty is about the only thing that would get me to Vegas--it's one place on earth I've never wanted to visit.
