I would imagine getting a friend to buy you one at the UK shows, is the best bet Marty.

LOL! Carole, OK anyone??? Will pay your expenses through Paypal or send Pounds. If I can, I'll ask Katy about it in Vegas next month.

Thank you.

Marty  
PS. If anyone is interested, perhaps we can trade for a Legends Prgram for Vegas, just a thought! 😊

Just got this reply to an email I sent earlier today telling her that Paula and I were coming to see her, would like to have our photo taken with her, and buy her a drink after the show.

Hi Nancy

Sounds like a great idea to me! I come out to the foyer for photos after every show, so we'll definitely meet and take it from there - so do make sure you make yourselves known.

I'm having a great time here, and I'm certainly meeting a lot of people from back home. They all saw the TV show - I just hope they all come and see me on tour back in the UK this autumn!

Have a safe trip when the time comes, and do please remind me you're coming!

Every best wish,

Katy x

Katy has obviously found an internet connection then, Nancy, lol - I got this early this morning..

Hi Will

What is going on with the fuel? I thought that was worth forwarding; one of my UK backing singers sent it to me. The Americans are complaining about \$4/gallon!!!

I'm having a fantastic time out here! Things are looking great for this becoming a regular gig should I want it. Everyone here has been fabulously supportive, and they seem to like what I'm doing. Also there have been plenty of British visitors saying hello after the shows; i hope they all come to see me on my UK tour this Autumn!

Speaking of which, Andy has just started work on the CD we'll be selling on the road. We're also hoping to produce a souvenir programme for sale. Both of these products will need a whole heap of photographs of me in various Dusty guises; would you mind if we used some of your pics? Obviously that's something you need to consider, so please think about it, then maybe we should talk. The show Andy & I have just left had some fabulous shots of me (and Andy) on stage, but they're not being very helpful as yet!

How's life with you? Please keep in touch.

Much love, Katy x

Sounds like things are going really well...thats great Katy. I'm sure there will be a lot of interest in the cd and the programme. I know at the Mechanics the artists sell that sort of thing half way through the Show, and also at the end when they sign autographs, its very informal.

Wow! That's so great to hear from Katy and to hear that things are going so well for her out in Las Vegas. I'll definitely be buying the CD. I got the email re fuel aswell. Re: Katy's tour - is anyone going to any of the more Southerly gigs, coz I really want to go, but I'm not keen on being out and about on my own at night and will end up spending the whole performance worrying about getting back to my B&B. It's a dodgy world nowadays, as we all know.

Just got our tickets for Millfield Theatre, Edmonton, London N18 for Wednesday 3rd September

Any one else going to this venue?

Lovely to see that photo, Carole - thank you for posting the article :)  
Looking at Katy's dress in the pic - was she allowed to keep the costumes she wore in the show? I do recall her saying she was going to collect one of the wigs the day after DD.

Called at the Mechanics, posters up about Katy, so went inside and picked up 30 or so of the smaller version. If anyone would like one, just email me with your address.

Not to be a COW or anything, but could I suggest that those who request a poster from Cas considering making a small donation to our Dusty charities--you can email me or Rob for details on how to do so, if you don't already know.

I think some of you here have heard of a radio presenter named Eoin Cameron. He's old-ish like 60 or something maybe and he hosts a morning show on ABC Radio here in Perth. Anyway my uncle told me today that Eoin interviewed Katy on his show last week!! How awesome! I didnt hear it though because i dont listen to his show although Eoin is quite the hardcore Dusty fan. He plays her songs all the time on his show. He is pretty dedicated. So im gonna try and get in contact with him and tell him about how much i love Dusty and all about LTD too 🍋
