[Keeping the LTD Forum Going](#)

by [donellac](#) » Tue Apr 02, 2013 12:33 pm

Hi All

I have just found a thread in the LTD archives called 'Staff Appreciation'.

It's there to say thank you to Nancy, Corinna and Rob.  

Can I say a thank you to the Moderators Carole Gibson, Markus Medeiros and Paula Lawrence. too.  

I think that since that thread was way back in 2007, it is about time we all said a hearty thank to the team once more!

You do a great job. Do you all have day jobs too? Not sure how you manage. For me just keeping in touch with what is happening takes up all of my time!

So Cheers to all of you.

Thanks Darren- nicely done.

Thanks to all the Admins and Current day "King and Queens of Mod".

I'm sure Dusty would put her seal of approval on this forum.

A special thank you to Corinna for her help for us newbies - and for generally keeping a daily eye on us.

I'd rather see the world the way it used to be.....

..I'm goin' back.

I still haven't figured out how you manage to get it all done, and keep it going, but I'm certainly glad you do. I hope I can find a way to contribute more.

Most of the work on the site and the dealing with money is done by Cor, Nancy and Rob. They deserve a big hand. Us mods just keep an eye on things and get involved if necessary. A nod to Charlotte for her help with the raffle too. And thanks to everyone who keeps the site active just by posting 😊

Your kind comments are appreciated, folks! 🙏 And Carole G, you are too modes. 🙌 You've been here from Day One (who could ever forget that!?) 🙏 and contributed in innumerable ways. And you run our THE DS FB page with 84,000+ followers!

Safe to say, for all concerned, it is a labor of love. And it's only a community because of ALL of us. So thank all of you, too. 🙏

Think I'll hand it over to Dusty now:

What a great bunch of people you are! 🥰

The team is indeed the backbone of LTD, and I'd like to thank my fellow team members who give so generously of their time and knowledge. 🌟

But we'd be nothing without our members who keep the forum going by posting on average **100+** posts a day! That's quite an achievement!

Seems there's still a lot to say about Dusty. 😊🥰🌸

It is just amazing that we have this site dedicated to Dusty and if it wasn't for all those dedicated behind the scenes then we would not have ALL this which serves to keep her memory alive. I have learnt loads about the Lady and her music, and there is such amazing and thriving interaction between the members as a result. So a HUMUNGOUS thank you for your time and effort and love of Dusty, it is very much appreciated and so often goes unsung. 3 cheers to you all 🍷🍷🍷
