Might be little or no Dusty content, but there is a programme about Kiki Dee next Monday 5th January on BBC Radio 2 at 11pm. <http://www.bbc.co.uk/programmes/b04w4zl8>

(<http://www.bbc.co.uk/programmes/b04w4zl8>) 😊

Thanks, Darren. I failed to spot this in Radio Times.

No worries Jim. 🙏

A enjoyable hour for me. 😊 Not a lot of Dusty in there but there is a brief bit at about 18.20 onwards. 😊

Finally got round to listening to this on the iPlayer.

I really enjoyed this. It's the sort of programme that Kiki comes across well on. She always sounds so measured and grounded. I was not particularly bothered about the limited references to Dusty. As I bought my first Kiki record in 1966, I would have liked hear a bit more about recording in the 60s and 70s. However, we don't know how much was recorded and how much didn't make it to transmission.

Am I right in thinking that Kiki confirmed in the programme that Dusty was one of the backing

singers on Why Don't I Run Away From You?

At one point of the programme Kiki said something like :her memory wasn't what it was, and I think when the interviewer asked her did Dusty do back-up on Why Don't I Run Away From You?, Kiki replied It's possible... ?
