Lana Sisters cd (#p52118)

by **Brian** » Fri Mar 25, 2011 4:23 pm

'Dustygroove' - the American music website have listed for 'end of May release' -

"THE LANA SISTERS - CHANTELLY LACE" - COMPLETE plus BONUS TRACKS"

I think they mean 'CHANTILLY' !!, but it looks interesting

The Lana Sisters! 🎵 🤖 Do you know if there's any special reason they release it, anniversary or anything?

I hadn't heard of this web site but it has interesting music! 🎵

Hi Cor. Dustygroove is a well respected US web site who specialise in soul music and 'off the wall' stuff. I'm not sure which label it's being released on but according to my source "this is a project developed in cooperation with Ris Chantelle and the booklet will include her memories of those far off days singing along side Dusty, or Mary O'Brien as she was then". Brian no doubt saw the posting on MT. BTW Brian the title 'Chantelly Lace' is correct - think about it 🤖

I'll have to be honest and say that it's not something I'll be buying.

I received my copy yesterday and it is really good to finally hear this chapter of Dusty's career(I had only ever heard four Lana's songs before)

In the booklet there are a couple of unseen (by me anyway) photos of the Lana sisters which is nice.

Also the liner notes are interesting and informative.

The bonus tracks by the Chantelles are good to hear too.

Recommended.
