Sara I don't think I could ever thank you enough for all these great pics you keep coming up with! I'm spoilt for choice for my screen saver now, and have changed it twice already.

Thank you.

Thank you very much Nancy, Mary and Sue (apologies for not replying sooner), and Wendy and Paula. What lovely kind comments; thank you. 😊

Here's a few photos from the documentary. I wasn't sure if these really qualify for this thread since they're actual photos of Dusty, but they're screenshots nonetheless! They could always be moved or reposted.

These photos could already be on the internet, but they were new to me! 😊 I have enhanced the two teenage photos a little.

You may already know but the one with the horse was one off a film that Pat took when they were in Ireland. She's very protective of them as they were the last pictures she took of Dusty, and she has only allowed a couple to be published. Thanks for the stills of the teenage Dusty Sarah, that photo will never cease to amaze me.

Of course we all know Dusty's love for cats, probably most animals. Never heard anything about what she thought of horses, great pictures!

Very nice, Cas. That first set -- is that the interview where Dusty hides her face "in shame" ?

The first set of pics are from Pebble Mill studios in the Midlands and yes it was where she hid her face in shame after the concert tour had been cancelled.

Loved this interview, thank goodness she took it off, it was as she put it hiding her shame, it was also hiding that face.
