Some of Dusty's early iconic hairstyles were created by Vidal Sassoon. He went on to be the most influential hairstylist of the Swinging Sixties.

☺ That's a nice piece on Sasson. See the link on facebook it includes an endearing interview with him. 🍋

A sad loss of yet another legend who moulded the sixties. I would visit the Sassoon salon in Manchester, always feeling slightly intimidated, I would even plan my outfit so as not to feel I didn't belong 😬 Silly now when I think about it 😊 We had a thread about him and Dusty a while back, I expect the documentary will be shown again sometime soon.

Vidal Sassoon, an East End boy who ended up being feted by the stars.. 🤝

I heard him interviewed a while back, and he came over as a really nice, modest guy. 😊

Sad to hear of his demise. 😞

RIP Vidal Sasson, definitely a cut above the rest. 🌟🌸🌸

The documentary is AMAZING by the way and I highly recommend it. I turned my tv on the last time I was at my parents' house and it happened to be showing on the channel that the cable box was set to. Very strange.

The interviews of him in that documentary make him look like such a humble and appreciative guy.

Would love to see that too.

Loved his legendary hair styles!
London WAS fashion in the 60s.
