I had heard two different recordings of this song. The one I am looking for has Dusty with only piano accompanying. Any ideas what cd has this rendition. Also- where can one get the Sometimes Like Butterflies song? Is it on a cd? Thanks for your knowledge! 😊

Hello Terri

Sometimes Like Butterflies is available on two CDs *Heart and Soul* and *Classics and Collectibles*

I don't think I know the version of Come For a Dream you are thinking of , can you remember where you heard the piano version?

I've never heard of an alternate version by Dusty, not even a live one. Be interesting to know just what you heard.

It was labled as Come For a Dream and actually was Its a Nice Dream! Mystery solved! Thanks!

" come for a dream" on " see all her faces"

"but its a nice dream" which is a wonderful song does have two very slightly different versions on the same cd. Heart and Soul.

not to be confused with the cd Beautiful Soul.

I hope that helps. 😊

Thank you Liz! Yes I have the CD and I do love both of these songs although Sometimes Like Butterflies is a sad one to me. Dustys voice seems sad and maybe a bit weaker but beautiful and so breathy- if that is a word 🙄
