I wondered what dwd stands for on some posts where books on Dusty are discussed?

Thanks hope this is not too dumb to ask---- 😊

Not at all. it refers to Dancing with Demons by Penny Valentine and Vicki Wickham.

Oh yes! I just could not figure it out! I actually even read that- it made me feel bad for Dusty in parts but also love her more because of the sadness she had with depression.

Thanks also neighbor! I live an hour north of you! 😊
