Has anyone ever seen The Dating Show episode with Dusty on it? Is there anyway to view it? Every time someone mentions it, I get curious.

Thanks!

The clip is circulating among fans, though I don't think it's officially available.

I have it on a DVD together with several other clips. I could make you a copy if you'd consider donating to our Dusty charities?

Cor, I was also curious about the Dating Game Show that Dusty appeared. I would gladly accept the same "offer" as Terri and donate to the Dusty charities in exchange for the DVD through Rob's Paypal account.

Cor- I watched the DVD yesterday and it was a lot of fun. You couldn't help but love her on the The Dating Game. She was so shy and sweet. Also enjoyed Dusty's performance on Dame Edna and had a few laughs as well.

Thanks again!
