wish we had video!!! And some better audio, but I'm thankful we have at least this.

I get goosebumps when she leads into the chorus of "I'm Coming Home Again", and the audience applauds. And this is a markedly different setlist than the RAH show. Must have been a great night.

Oh, I totally agree with you Markus! I wish I could watch this on video! 🙏

"I'm Coming Home Again" would have been lovely to see... 🥰
