Does anyone know what Dustys favourite perfume was?

Some articles have said Chanel No 9 but, in a Q&A from Dusty Day 2003, Simon bell said it was Chanel No 14...

Just to add to the numbers, Linda, I think Chanel 5 and 19 were her favourites.

There is also 22 and as far as I know they are the only 3 numbered, the rest have names like Coco etc.

Thanks Pat.

I went online to find no 14 but it doesn't appear to be available, if it ever was.... Looking through some old Dusty Bulletins, there was talk of creating a Dusty perfume. Did it ever eventuate?

I got very small vials of Dusty's favorite perfumes from Amazon here in the US. I got the Chanel No. 19 and Joy (which the young Dusty wore). The Joy is Jean Patou/Paris. You have got to do a lot of searching though. The vials are like 0.05 fl. Oz. I just did specific searches under each perfume and then I went page by page and looked through all of them. Tedious work but worth it. When I miss Dusty I just put the Chanel 19 and myself. I can think that is the scent someone got when she walked by. It makes me feel close to her.

In later years, it was definitely No.19. Pat kept some to remind her of Dusty.

Thanks Cecilia and Carole

I'll see if I can track some down. I can understand why Pat would keep some to remind her of Dusty. Perfumes are a great reminder of the people we love

Linda, Joy is said to be the most expensive perfume in the world - and it is. But then so is Chanel 19 the prices are pretty close. You will need to investigate. I have some EDT 19 and it is gorgeous.

The little vials are reasonably priced. And a little spritz every now and then to remind us of Dusty makes the perfume go a long way.

Well I recieved my little vial of Chanel no 19. Very quick delivery and I can understand why Dusty liked it. Very pleasant and not overpowering. I'll be thinking of Dusty whenever I wear it

There's a newspaper cutting for sale on ebay with the title, ' 1979 Dusty Springfield Comeback'. In the article Dusty says, "I wear Parce Que by Capucci. I usually buy it in the states so I don't know if you can buy it in British shops".

This is not a perfume that I'm familiar with so I googled it and found a website that describes it as 'A very pretty floral that compares with Chanels'.

There follows a review, and I love the last sentence, 'This is very pretty, and a little bit different'....who does that remind you of??!!

Hi Fiona

Thanks for that. I've never heard of that perfume before. but,'m not very well up on perfumes.

Yes that sentence certainly does remind you of 'someone' I'm sure it is a lovely perfume,can't imagine Dusty wearing anything that wasn't
