Hi everybody,

Do you know this show, *Gooische Vrouwen*?

It's also translate in French and the TV was open at this show when I heard Dusty singing "How Can I Be Sure". I didn't know that this track was used in a TV program.

Anyway, it was a great surprise!

If you check it out you'll see that it's a bit like a Dutch version of Desperate Housewives , there is also a CD of the music they have used , many artists appear on this from different series , Dusty as Samuel has mentioned too. 🤔

Yes that's what I read... and thanks Karen for confirmed and also for the CD. I didn't know that.

As you can see, I'm not a big fan of this kind of tv show. 😊

Can't help you I'm afraid with any info on Gooische Vrouwen. I watch very little tv, and Dutch-spoken drama or soaps are completely wasted on me.... Give me Corrie any time of the week!
