Hi Folks,

I just watched the RAH video for about the 4th time... and besides the Live at the BBC DVD my favorite. My question is this: At the end of Dusty's performance after "Put your hands together" and "Quiet please, there's a lady on stage" and Dusty goes down to her dressing room before the camera cuts off - who is the very blond woman who greets Dusty and gives her a quick hug? I know most of you probably know for a fact, I think I know who it looks like, but I am not sure... Thank you 😊

Thank you

Marea

🙄 Just so happens I was curious about the same gal. Some kind of attendant to Dusty. She was working for Dusty's then manager Billy Gaff. Her name was Annie. 🙄

It's Annie Challis, I think she worked for Dusty's record company at the time and she went on to manage Rod Stewart for a number of years. She now lives in LA and works in real estate.
