I've enjoyed reading all the info this site has. Also, love all the pics of Dusty. I'm trying to soak in as much as possible! I've especially liked the recent first hand stories Tara Thomas has posted. She has posted something on Facebook and believe it or not.....I haven't joined FB. I was wondering if it's worth reading? I think it has 12 likes. Just wondering if someone could pass along the story. Thanks! Back to reading.....

I'm sorry to say that I'm not on FB either but I'm sure someone kind who is on FB will fill you in on what was said there. It was interesting reading the things she posted on the forum, if there's anything else of interest it would be nice if it was shared with us here too. I hope you are enjoying all the things you are learning here! 🙄

Hmmm... What post on FB are you referring to? As far as I remember, Tarra has shared all her Dusty-related stories here. 😊

On LTD FB there's a post from Thomas.....something about it being a tough call. I don't know if it's a new post or a duplicate of something I would have read on the site. Just curious. Thanks.

I think Tarra has posted all her Dusty stories here on LTD not on FB. I don't remember seeing her post anything at all about even knowing Dusty on FB. I could be wrong but I think she shares her memories with just Dusty's fans on here and I feel very lucky and thankful to hear them 😊

Yep ! 🙌

You won't find the kind of love on FB that you find here on LTD.

I think Dusty, and her fans are special to Tarra. 🌟🌸🍷 She has the good sense to know what belongs on FB, and what doesn't.

The interview is all about her books -writing, publishing ,lesbianism. Nothing on her own life.

T3 was running a silly contest for a friend, in which winners would get a digital copy of her friend's book.

The competition required us to name a day....

My entry was DUSTY SPRINGFIELD IS THE BEST F\*\*\*\*\* SINGER EVER DAY

and I won one of the prizes.

T3 thought my entry funny and congratulated me on my recent wedding and posted a pic of Dusty's wedding with herself officiating to close the circle.

That's interesting Nancy. 🤖 I missed that. Is it here in LTD ? Where can it be found ?
