What cds contain You Set My Dreams to Music? I only know of Anthology.

Oh I just got the Postmods book today!! I will start it tomorrow! Im almost done with OBrien book and read the DWD trashology, but I felt badly that some of the sad secrets were published that are so personal-everyone has issues! Boy Dusty sure was loved and still is! She was a sweet kind soul and an animal lover which speaks volumes! 🌹

Terri, if you can get your hands on Something Special, I can really recommend it. I played it to death when I first got it and it's still one I take on my travels, I love the mix of music.

ok I am looking for this one!! Thanks all! I see lots of songs which I do not have!! Can I order from Ebay UK from the states?

Re: YSMDTMby **allherfaces**Posted: **Wed Oct 13, 2010 2:16 pm**

You can, Terri, if the buyer will ship to the US. If you have paypal you can just send the money in British pounds.

I too put in a BIG YES vote for Something Special -- it really really is!!!

Now and then it comes up for sale on US ebay too.
