Hello all,

It's time again for the National Academy of Arts and Sciences (The Grammys) to accept nominations for their annual Lifetime Achievement Award. Who deserves this more than our Dusty? Please take some time to nominate Dusty by visiting the Grammy web site or by writing to linda b.@grammy.com to nominate our gal for this prestigious award. The only problem is that the nomination period closes on April 1, 2010, so, please take a minute and write.

Thanks!

Ralph

Ralph, could you check that email address again. I tried emailing but got an error message on the address. Thanks.

Yeah, I had the same problem. I ended up going directly to the Grammy web site and posting it there. However, there was no direct link to nominate anyone for the lifetime award (tho I did it last year and received a reply). I am also going to send a written nomination to them via snail mail:

The Recording Academy/The Grammy Foundation
3030 Olympic BLVD.
Santa Monica, CA 90404

Might be the only alternative.
