### [Likeness to Robin Wright?](#)

■ by [BornTooLate](#) » Sun Jul 19, 2015 3:10 am

Hello All,

I was listening to a SiriusXM 60s on 6 radio talk show where listeners call in or write to the deejay (Lou) regarding any topic about 60s music. Someone wrote to Lou stating that they see a strong resemblance between the actress Robin Wright (specifically in *House of Cards*) and Dusty Springfield. The listener thinks she'd be good in a Dusty biopic. When processing that statement, keep in mind the listener may not be as protective over Dusty's legacy as we are and I'm sure he means well. Lou picks and chooses the emails that he reads on air, so, by reading this email, he deliberately chose to bring up Dusty in the weekly conversation.

I'd like very much to email Lou before Sunday's/tonight's show (11pm Eastern time) with responses from LTD people. I'm sure Lou would love it also. I had dinner with him last month and there's nothing like talking about music with a radio deejay. He's a great guy and I'm sure all of you would love talking with him, too. He's a huge Dusty fan, as well.

Anyway- I just want to send something in for Sunday night's (or tonight's, depending on what time you read this) show.

I don't see much resemblance at all - and she's way too tall.

I think Carole (Daydreamer) got it right by suggesting the only current actress that would be right for the part is Sheridan Smith.

All you fans across the sea haven't ,yet, had the opportunity to see the London show "Dusty". Ellie Ann Lowe who plays her has certainly "grown" into the part. Having just seen it for a second time, there were quite a few instances when she looked so like Dusty. Ellie, has only just graduated from Drama school (2014) and has really grabbed the opportunity to make the part of Dusty her own.

I'd rather see the world the way it used to be.....

..I'm goin' back.

I have been a fan of Robin Wright since I saw her in Forrest Gump. Fantastic actress! Don't see Dusty though. So far, no one that's been suggested to play Dusty has done it for me. Maybe there should be more than one actress to play the part.....as Dusty's looks change so much through the years.

I totally agree with you Di. Dusty was a one-off so I don't think it's possible that anyone could match her looks that closely. Same with her voice - unique, and

cannot be matched or bettered 🙄

Noted. I can see slight similarities if I'm really looking for it. But I really wouldn't have ever thought that on my own. As I said, it was probably a comment that someone made on the fly.

Thanks everyone!

Can't see any particular resemblance: IMHO being 3" taller than Dusty wouldn't be a big deal but without Robin lending any especial stardpower to a Dusty biopic I can't see why she should be cast rather than an actual Briton. Still I don't think Robin's an outrageous suggestion & it's nice to hear of interest in a Dusty biopic.
