Well Wally ,without googling the lyrics, and without the aid of a safety net.. I believe that the lyrics go:

" Little by little,  
bit by bit,  
I'm going crazy...and you're causing it".. 😊

Dusty Springfield Little By Little lyrics

(Buddy Kaye / Bea Verdi)

Little by little by little by little by little  
Little by little by little by little by little

You're messing up my life  
Tearing me apart  
Breaking up my world  
And I'm giving up my heart  
Little by little by little by little

I'm losing all my pride  
It's really getting bad  
Hurting deep inside  
Is a-making me go mad, ooh  
Little by little by little by little

Little by little  
Bit by bit  
I'm going crazy and you're causing it  
Little by little  
Bit by bit  
I should stop caring  
But my love won't quit

Little by little by little by little by little, yeah  
Little by little by little by little by little, all right

I don't know where to turn  
Don't know what to do  
I'm walking on thin ice  
And it seems I'm falling through, ooh  
Little by little by little by little

Little by little  
Bit by bit  
I'm going crazy and you're causing it  
Little by little  
Bit by bit  
I should stop caring  
But my love won't quit

I'm the queen of fools  
Know the deck is stacked  
On a losing streak  
But I'm a-gonna get you back

Little by little by little by little  
(Little by little by little by little by little)  
Yeah, little by little  
(Little by little by little by little by little)  
Ah, ah, ah, little by little  
(Little by little by little by little by little)  
Little by little, mmm  
(Little by little by little by little by...)

Back in years gone by when I sang along to the song, I would sing "and you're caught in a net"! 😞 It took me a long time to get out of the wrong words habit.

😄 "caught in a net", that's a good one! You should start a thread about misheard (Dusty) lyrics...  
😞

This song is one of my top ten Dusty tracks.

As a matter of interest Buddy KAYE also wrote Middle of Nowhere and Ray Stevens - STREAK as well as Cliff Richards - THE NEXT TIME (great ballad) plus many others.

Cheers
