Live It Up! - Ace Records compilation (#p192755)

by **countrycake** » Tue Aug 06, 2019 7:29 pm

On 30 August Ace Records is releasing a 25-track CD under the title *Live It Up! Bayswater Beat Girls 1964-1967*. The company describes the compilation as 'Hand-picked 60s she-pop from UK Philips, Fontana and Mercury, including many titles new to CD'.

Dusty features on two tracks, ie Live It Up and Heartbeat, as well as appearing as a backing singer on Madeline Bell's *I Really Got Carried Away*. Full details are at:

The 'Bayswater' reference in the title of this CD relates to the location of Philips studios in Stanhope Place. However, as we all know, *Live It Up* was not recorded there but in New York. Oops!
