### Live it Up!!!! (#p10311)

probably the happiest surprise I found on the disc 3 anthology-

far from Dusty's greatest song, but WOW...she sounds WILD on it! So uninhibited. It's infectious!

It's great isn't it? I think it's one of Dusty's greatest performances ever. Still as fresh as the day or night she recorded it. Fabulous!

'Live it up' has ALWAYS been one of my favourite Dusty tracks 🌹🌹🌹🌹

In 1965 when British girl singers were still trying to rhyme June with moon, and away with stay, our girl took on the American sound - and IMPROVED on it!!

A GLORIOUS RECORD. 🍷🍷🍷🍷🍷🍷🍷🍷🍷🍷🍷🍷🍷🍷🍷🍷

yessiree...she really put her heart & soul ...and lungs into this one.  
how nice Markus that you are discovering more Dusty songs...she does have a fabulous discography  
and what a treat it is to hear something new for the first time. Rare are the stinkers.

I love the Anthology set, so much so that I have two of it 🗝️ One is very well worn and the packaging is falling apart. It's wonderful, as Paula says Markus, that you are still discovering new Dusty gems and Live it Up just epitomises the Brill Building/girl group/Motown sound of the sixties. It just makes me smile every time.

Have always had a soft spot for 'Live It Up'. In fact I think that I'll play it now as I've had a dose of the 'mean reds' today. 🗝️

Such an upbeat and infectious tune with (as previously stated) an outstanding vocal from Dusty!
