I've a feeling only an admin rather than a mod, can move a thread, no doubt someone will tell me if I'm wrong! I think Cas probably wanted to put this in See All Her Faces.

Just checked the back of my copy of the photo and it says Jan 28th 1967, which means it was during the run of the Pantomime.

I'm hoping this was the place that Cas had intended this thread to be, as it begins with a picture.

It is a lovely photo, Cas - I thought she looked sweet and quite demure. You can tell she was educated at a convent :)

Glyn was at this year's Dusty Day, she was also the person who took that back to back shot of Dusty and Madeline in Manchester.

She was Nancy she always found time for her fans, we were never once turned away and she must have been so exhausted at times. A lovely lovely lady.
