Nope - just click on the links and it plays fine. For those of you who are click challenged here's the link to the player:

<http://www.smoothradio.co.uk/radioplayer/>

Keep in mind the time change.

If you want to record internet radio install the FREECORDER TOOLBAR from here:

<http://www.applian.com/freecorder4/>

Then go immediately to the HELP page here:

<http://www.applian.com/freecorder4/help.php#settings>

Everyone understand the assignment? Okay - class dismissed.

I enjoyed that 🧐 Loved that Bill Nighy is such a fan, he said a lot of what we all think, beautiful, distinctive, unique and other superlatives. Wonderful to hear some of the live version of Windmills too (on the box set), it was in very good quality and quite different to the recorded version. Lots of music and some new voices talking about her. Not a lot new in the way of insights, except maybe for Bruce of the Beach Boys saying she went to his house and they listened to music. He said she was "so inside music". Don Black thought he was telling a new story about the crockery. Duh 🤔

There's a part of you, that's a part of me...

I loved it too. played all her big hits and some lovely comments too. so nice to hear real music people saying how great and unique she was. things like " she covered so many genres,shes a total rarity" and as you say Carole, Bill Nighy when he said how he loved ready steady go and her shows and said she was so beautiful. did anyone manage to record it for us to share,it was fab. 🎵
"every day I find you're in my heart and on my mind"

"she was the very essence of fabness""

Really enjoyed it too.

Didn't we all rush home, have tea and get homework done to see RSG!! 🎁
I agree that it was lovely to listen to different fans talking about Dusty and saying what we all think!!

Bill Nighy has gone up in my estimation...I was not a fan of his til today! 😊

Thanks Cor for the link. I really enjoyed it, the live version of windmills of my minds was amazing, as said before and at least I didn't know all stories. Also nice to hear Dave Stewart and the good old Bruce Johnston 😊!

I finally got to hear it..Thanks for the link, Cor. 🤔

Although there wasn't much new to us. her diehard fans, I think it was an entertaining programme which showcased most of her hits and a few more besides..

I hope its won her some new fans or at least reminded some of how great she was. 🤔

Liked that they had some 'different' Dusty admirers on there too, the ones already mentioned, plus two girls from The Corrs , Beverley Knight and Dave Stewart ex Eurythmics.. 🌟🌟

Thoroughly enjoyed it... Big Up for Smooth Radio!! 🤔

🎧 Listened to the show while getting ready for work this morning. It's so good to know someone saw fit to pay tribute to her with this radio show, and to hear those celebrity comments. 🎧
