This is a heads up for a You Tube thread "LOST Dusty Springfield" mainly audio of lots of unrecorded songs from various radio/tv shows.

These 'lost' recordings would make a GREAT cd together 🙌

Cheers Pat. 😊 Yes Brian, a bit of remastering and they would make a great compilation. 🎵

I think I have downloaded all the Lost videos. Even though they are just audio, it is just great to hear these fantastic songs. And yes, a compilation of them would be unbelievable! 🙌
