Love & Mercy Soundtrack (#p172851)

by **edjames** » Sat Jun 06, 2015 5:56 pm

FYI...A reliable source tells me Dusty's YDHTSYLM is played on the soundtrack in the new biopic movie about the life of composer/performer Brian Wilson of the Beach Boys.

Dusty is indeed on the soundtrack to Love & Mercy, but only briefly in the background during a party sequence. There's a soundtrack CD being released (or is it out?) but that's only Beach Boys and related recordings.

Great film, by the way!

Just happened to catch this movie at the part when YDHTSYLM was playing. Looked up the soundtrack to this movie and there is Dusty with a few others sprinkled in with mostly Beach Boys songs!
