### Man with the child in his eyes and other rarities (#p152099)

by **Richard** » Sun Apr 27, 2014 10:57 pm

If anyone has Dusty singing Man with the child in his eyes, live in '78, could I ask a big favour and ask you to post it here. I'd love to hear it. 🙏 Many thanks, Richard.

It was posted for me once, but I've lost it. 😞 I tried searching the threads with that title, but it may have been a private message since deleted. I recall at the end she exclaims "That's a tough song." Dusty went for challenges like that.

Sorry I can't help. 😊

🤖 It appears on the CD: *Dusty Live @ Drury Lane* at 33.50 mins.

She mentions Kate Bush. 🎤

🌟 I think that's a CD made available to LTD members from the Dusty Bulletin.

I got it as a download.

If I knew how I would send it to you.

I just can't remember. 🤔 Maybe one of our members can tell you where to find the download.

Please

It may be here in the threads somewhere.

➡ Go to: "A Song For You", and check out the topic "How to Order Dusty CD's"

I think you can still purchase it.

I'm listening to it right now. 🎧 It has a personal resonance to it not captured in the show on DVD.

Frans That's absolutely Fantastic. Thank you so much 🙌🙌 It's also different to the live Version I have, which is featured on this CD, which is available on LTD. Sorry I can't upload it so we can compare. So my question is were two different sets of recordings made showcasing different days of Dusty performing at Drury Lane? If so is the other Drury Lane recording (un)commercially available too. 🤔

You're welcome, Darren! The song that I first uploaded was taken from your uploaded picture. I haven't got time to compare the two versions: gotta go and chat to a group of old people this afternoon. Therefore I'll let you decide, here's the version from the double-cd:

I think was performed at the Palladium in '65. This is very rare I believe, so I may be praying for a big miracle to hear this one. Rich.

I've always wanted to hear Dusty's live rendition of "Gone Away", referenced in the Dusty "Bible" as from an unidentified US TV show in late 1972 or early 1973. Perhaps that will surface someday.

Many thanks for the audio shares, Frans!

Me too Kyles! I've got about 8 titles left on my list of Dusty songs I've never heard. Gone away is one, Groovin' , If ,Love music , Simple game. These were all on US shows and maybe haven't survived. 😞 Does anyone know more 🤔 A few months ago I found Smackwater Jack on youtube. It's brief, but she sings it brilliantly. If you type in 15 minutes with Dusty, it's part of the blues medley. 😊 Rich.

Hopefully they will surface someday.

I've just been looking at the other tracks at Drury Lane and I've realised the We are family medley is different to the one I've got. She sings completely different songs in the RAH medley. I've never heard her sing I'm every woman or You and I before. Can I make a request to hear this Drury Lane medley? Many thanks, Rich. 😊

Just been listening to this. Dusty at her best introducing all the band ,by name, to the audience including "a wee scot" Simon Bell. She certainly appreciated all her "family" around her when working. Only the greatest do that, they know they can't do it alone.
