[Marianne Faithfull: Dusty "was great"](#)

I saw Marianne Faithfull in concert last night in NY (brilliant show as always, BTW), and as part of my ticket, got a meet and greet. Unfortunately, no pics were allowed, but it was an honor to formally meet this legend...and I finally got to ask her if she ever met Dusty, which she replied to in the affirmative. She also mentioned that she thinks she's "great," and I reminded her about Dusty's quote about identifying with her. Marianne agreed that her and Dusty shared similar paths (to which I commented that I admired both for coming out of it as more powerful people in my eyes).

It's great to have my curiosity settled, and insightful to know how Marianne feels about Dusty.

I saw Marianne a few years ago, it was a lovely concert. How nice to be able to "meet and greet"! Glad you had a nice evening.

I was thinking about going, but I've been sick and the possibility of having a coughing fit in the middle of a show where tickets cost up to \$100 (more if bought from less than legitimate sources) didn't seem like a good idea. Hopefully, she'll come back soon. I haven't seen her since the 80s.

I wonder whose "24 Hours from Tulsa" she likes better?
