Forgive me if this has already been posted - but I saw an ad in our local paper for a show at Rotherham Arts Centre entitled ME,MUM and DUSTY SPRINGFIELD. It is a one woman black comedy show - a hit at the Edinburgh Festival. It examines the bond between mothers and daughters and coping with loss when it is too late. It is all set within a world of DUSTY.

Sound interesting.

Some of our members have actually seen the show, see this thread: [viewtopic.php?f=7&t=470&start=0&hilit=me%2C+mum](http://www.dustyspringfield.org.uk/forum/viewtopic.php?f=7&t=470&start=0&hilit=me%2C+mum)

Are you considering going, Chris?

Thanks Corrina - I thought this may have been mentioned before. I regret that I will not be able to get to the show at short notice. The tickets are only £7.00 as well.

Just another example of how our girl lives on - on the stage - radio- tv - newspapers and books .

Cheers

Chris
