I have posted these pics before but they were very small and now I hope that I have mastered Photobucket!!

This pic was taken backstage at THE TALK OF THE TOWN and shows Dust, Pat and

myself. [/im

g]

This was at THE CAVENDISH CLUB

B'ham[/img]

We were lucky enough to go backstage 3 nights running and on the last tim Dusty said" not you two again" but she was only joking and let me take photos and signed lots of album covers. While talking the band began playing GREAT BALLS OF FIRE and Dusty took hold of my hand and started dancing with me,(Dancing with Deamons??) I will NENER forget that night!!! These next pics show the Lot I bought at Sotheby's auction and Dusty wearing the bracelet at the Albert Hall while performing with the Petshop Boys. When I spoke to Pat about it she said that she had fond memories of polishing it for

Dusty. [/img]

Hope these are of interest. I was a Fan Club member from the start and have never lost interest in Dusty. I was lucky enough to meet and see Dusty perform live on many occasions in Birmingham London and Blackpool. The first time I saw her was at Coventry when she was with the Springfields.....many years ago!

When time permits I will post more photos and tell again about when I was taken to Dusty's flat by Pat and told never to say where it was.

Great to see your photo's Mike 😊 I've seen some from the same time as the Talk of the Town one, but not that particular one. I'm sure Pat would love a copy of it if you haven't already let her have one. She always says she has very few of herself with Dusty. The "dancing" one is great, never seen that outfit before, did she wear it on stage?

I love those, Mike. What it must have been like to dance with Dusty! I'm not jealous at all. But I am thrilled for you. Memories of a lifetime.

Can you tell us more about what you remember about her?

Mike, even though there's very little I wouldn't to go back in time and meet Dusty, I'd like to thank you for posting these photos. Like other personal photos and videos posted by fans, they show her lovely, friendly, warm, funny personality. And for that reason they're very precious.

You lucky, lucky chap! 🤔

yes I agree Rosie she seemed quite happy, even though she was so shy and unsure of her abilities, to allow fans up close and to chat to them . she didnt seem aloof as some of the "stars " of today running round with bodyguards etc. I also think it shows that she didnt have the superior air to her fans that some of them have today, so good on you Dusty.

Hi. It's been some time since I last posted but was in the neighborhood and saw these great pictures. Mike-Thanks for sharing these. The one where you are dancing with Dusty is really sweet. My partner happened to see this picture when I was looking at it and long and short: we did some photoshopping. I hope you don't mind and that you and all like.
